Self-Assessment Checklist

Continuity & Resilience

NCEMA 7000 SELF-ASSESSMENT CHECKLIST

By law, it is mandatory to implement Business Continuity Management (BCM) in the UAE. This is equally applicable to all entities. NCEMA (National Emergency Crisis and Disaster Management Authority) has developed the AE/SCNS/ NCEMA 7000:2015 standard (known as NCEMA 7000 in short). NCEMA has also developed training courses around this standard and the organisational certifications can also be achieved.

This document has been provided to you as complimentary input from Continuity & Resilience (CORE) as your starting point to see your maturity and conduct a self-assessment.

The checklist contains 86 major questions, 209 total questions in 22 sections/ categories.

Section A: Mandatory Documents			
Question No.	Sub-Question Series	Question	Response

Note: Having answered most questions as 'yes' does not necessarily mean that it's meeting all requirements of the NCEMA 7000 standard. All sections and questions do not carry equal weightage. Each 'yes' needs to be supported with an evidence (which may be one or more documents and/ or records/ observations). Please submit your 'self-assessment' report to us. We invite you to our **Complimentary 'Resilience OPD'**, where our consultants will conduct a diagnosis and will recommend next steps for you to further improve your BCM Program.
